

Cookies Policy

Cookies

Cookies are text files placed on your computer to collect standard internet log information and visitor behaviour information. This information is used to track visitor use of the website and to compile statistical reports on website activity.

For further information please visit <http://www.allaboutcookies.org>

We use the following Cookies on our website:

- *strictly necessary cookies - these are cookies that are essential to the operation of our website*
- *analytical/performance cookie - these cookies allow us to recognise and count the number of visitors to our website*
- *functionality cookies - these cookies are used to recognise you when you return to our website.*

Details of the cookies we use:

- *PHPSESSID – this cookie is native to PHP and enables websites to store serialised state data.*
- *_ga - Google Analytics Session Cookie*
- *_ga_299CEJ65PB Google Analytics Session Cookie*
- *Cookie_notice_accepted*
- *wp_lang – this cookie stores language preferences for logged in users.*

You can set your browser not to accept cookies and the above website tells you how to remove cookies from your browser.

However, in a few cases some of our website features may not function as a result.
